JUNIOR KINDERGARTEN REGISTRATION GUIDE

WELCOME TO FSD!

Registering your child for preschool-- or as we call it at Foothills School Division, Junior Kindergarten (JK)--is a big milestone. This resource is to help you be informed on the enrollment process, making it easy to register your child at one of our great schools.

GETTING STARTED

You will need to gather a few documents and understand the requirements before registering your child. What you may consider:

- Is my child old enough to enroll?
- Do I have the correct documents?
- Do I want my child registered in an alternative learning program for Kindergarten?

THE PROCESS

1. Find your nearest school
2. Gather required documents
3. Complete online registration
4. Connect with the school
5. See you in the Fall!

WHEN TO REGISTER

You may register your child for Junior Kindergarten as long as they turn four (4) years old on or before December 31 of the school year they enroll in Junior Kindergarten.

Children under four (4) and with a demonstrated need may be eligible for funding to participate in this program for more than one year. Please visit our website for details.

IMPORTANT DOCUMENTS FOR REGISTRATION

You must provide proof of your child's age, legal name, citizenship and address.

Acceptable identification documents for your child include:

- Canadian birth certificate
- Your child's Canadian passport
- Canadian Indigenous status card

To save time, scan the documents to your computer ahead of time to have them handy during registration.

Accepted forms of **proof of address** and other accepted forms of identification can be found on the online registration form (see Registration).

Non-Canadian students see registration process in registration section of this guide or visit the our website for more details.
