

# PROFESSIONAL LEARNING & EDUCATION PARTNER RELATIONS

JANUARY 2026

## WELCOME TO OUR FLOURISHING LEARNING COMMUNITY!

At FSD, we think about the whole system to make sure our mission, vision, and purpose are visible in every decision we make. This systems-thinking approach is key to achieving the goals set out within our divisional and school education plans. By frequently reflecting on our progress, we are demonstrating accountability and providing our partners in education the assurance that education is at the centre of a flourishing community.

## SUCCESS

- Advancing excellence in teaching leading and learning by providing professional learning for teachers and school leaders
- Supporting curriculum implementation strategies across schools
- Developing resources on curriculum corner
- Leading curriculum design team

## SUPPORT

- Supporting parents, students and staff through concern resolution
- Supporting school leaders in clear communication and sound decision making

## ENGAGEMENT

- Engaging communities and families as partners in education across our system
- Engaging teachers and leaders to determine professional learning needs and next steps
- Analyzing professional learning data on an ongoing basis

## Partnering with Principals: Leading Learning, Inspiring Excellence

- Designing professional learning to grow professional practice
- Model instructional leadership
- Provide exemplars of instructional and assessment practice

## Stronger Together: Empowering Parents and Families as True Partners in Learning

- Creating environments for open, honest, respectful communication
- Understanding individual context and how it fits into the greater societal context
