

# ÉCOLE PERCY PEGLER SCHOOL

APRIL 2026

## WELCOME TO OUR FLOURISHING LEARNING COMMUNITY!

At FSD, we think about the whole system to make sure our mission, vision, and purpose are visible in every decision we make. This systems-thinking approach is key to achieving the goals set out within our divisional and school education plans. By frequently reflecting on our progress, we are demonstrating accountability and providing our partners in education the assurance that education is at the centre of a flourishing community.

## SUCCESS

- At École Percy Pegler School, success means developing competencies for life. Students grow as communicators, critical thinkers, collaborators, and self-directed learners through strong literacy and numeracy, cross-curricular learning, and opportunities for reflection and goal setting.
- **Impact:** Students become confident, adaptable learners who can think critically, communicate effectively, and apply their learning in meaningful ways.

## SUPPORT

- We create a safe, inclusive environment where every student feels they belong. Guided by Belonging, Independence, Mastery, and Generosity, we support student and staff well-being through a proactive continuum of supports that address academic, social, emotional, and physical needs, strengthened through collaboration with families and community.
- **Impact:** Students feel safe, confident, and supported, enabling them to fully engage in their learning.

## ENGAGEMENT

- We believe engagement is more than participation—it is partnership. Through ongoing communication, collaboration, and authentic opportunities, students, families, staff, and community members help shape our school. Student leadership, family involvement, and staff collaboration ensure all voices inform decisions.
- **Impact:** A connected community where students feel heard, families feel valued, and decisions reflect shared ownership.

## Additional Highlights

- **Explore Program:** Nature-based, place-based learning that connects students to the land, community, and environment through outdoor and experiential learning
- **French Immersion Program:** Strong language instruction supporting bilingualism, cultural awareness, and literacy development
- **Arts, Wellness, and Experiential Learning:** Panther Arts & Wellness Studies (PAWS), clubs, and extracurriculars that support creativity, physical literacy, and student well-being
- **Professional Learning and Collaboration:** Professional Learning Communities (PLCs), coaching, and reflective practice supporting instructional excellence
- **Student Leadership and Citizenship:** Opportunities for service learning, leadership, and community connection

École Percy Pegler School is committed to continuous improvement through evidence-informed decision-making, reflection, and community voice. By intentionally aligning engagement, support, and success, we ensure that every learner belongs, is supported, and is empowered to thrive—now and into the future.

Rooted in this Place:  
50 Years of Belonging
