

STUDENT LEARNING 7-12 AND ASSURANCE DATA

MARCH 2026

WELCOME TO OUR FLOURISHING LEARNING COMMUNITY!

At FSD, we think about the whole system to make sure our mission, vision, and purpose are visible in every decision we make. This systems-thinking approach is key to achieving the goals set out within our divisional and school education plans. By frequently reflecting on our progress, we are demonstrating accountability and providing our partners in education the assurance that education is at the centre of a flourishing community.

SUCCESS

- Embed Deep and Transferrable Learning within the Innovation and Design Framework
- Advance Career Education at all levels
- Grow community, industry, and educational partnerships supporting hands on, experiential learning.

SUPPORT

- Provide ongoing, just-in-time data and other evidence that facilitates a continuum of supports at the school, classroom, or individual student level.

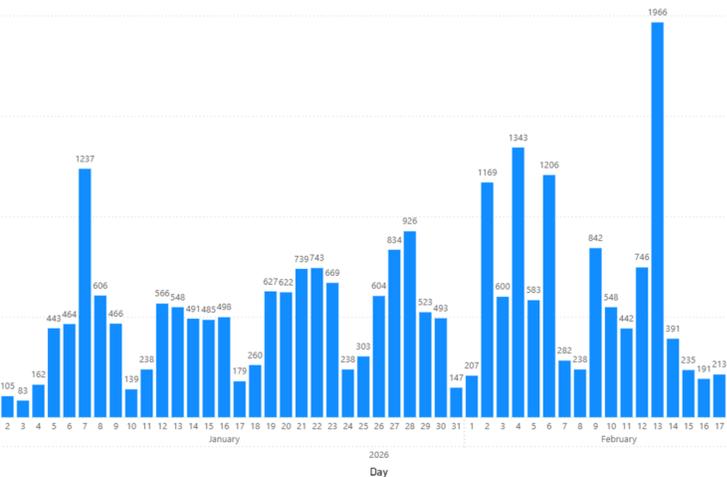

ENGAGEMENT

- Persistent attention to gathering ongoing, triangulated evidence to inform next steps.
- Leverage education partners working together for the purposes of bringing about positive change.

Advancing Innovation and Design

Purposeful and intentional advancement of career education and engagement of students that builds entrepreneurial spirit.

- K-12 STEAM Education
- Career/Job exploration for all students
- Authentic experiences for students through:
 - Classroom experiences
 - Authentic challenges such as a student lead market
 - Off campus education such as Work Experience, Green Certificate, and the Registered Apprenticeship Program (RAP)
 - Opportunities to earn real career certifications

Advancing Continuous Improvement and Assurance

Drive and support continuous school improvement through:

- Developing Evidence Informed Decision Making
- Engagement with stakeholders/educational partners including parents, students, staff, and the wider community
- Provide current, targeted, just-in-time data through the FSD Data Dashboard supporting all aspects of the FSD education plan
