

## Dress Code

Our suggestion is to consider the school as your place of work and ask yourself if your clothing is appropriate. We recognize that deciding on one's dress is a subjective and personal decision.

Our goal is to support the emotional well-being of all students and as such we ask students and parents/guardians to make informed and thoughtful choices when deciding what to wear.

In some circumstances the school may contact parents/guardians regarding the attire of their child in order to aid in making decisions about its appropriateness

We ask that:

- The clothing is free from all references to drugs or alcohol, violence, sexism, and racism.
- Clothing or accessories that could be classified as a potential weapon are not permitted (i.e. chains, spiked necklaces/bracelets, etc.).
- Clothes are not overly revealing.
