

Bottle Wars 2026 is Back! 🗑️

We're excited to kick off our annual **Bottle War** between the **Spitzee Eagles** and the **Joe Clark Broncos**! From **May 19–22**, our school communities will come together in a friendly (but intense) competition to see who can collect the most bottles.

Families are invited to drop off bottles at **Joe Clark School**, where the collection trailer will be open daily from **8:30 AM to 4:00 PM**. Every contribution helps support our schools while promoting environmental responsibility.

To add a little extra fun this year, we've raised the stakes—if the Broncos come out on top, **Ms. Mahan and Ms. Becker will let students give them tattoos at the Bronco Bolt!**

We encourage everyone to participate and help make this year's Bottle War our most successful yet.

🔔 *Please consider sharing this initiative with friends, family, and neighbors—every bottle makes a difference!*

Go Broncos! 🐎 ❤️
