

ÉJCS Morning Drop-Off Reminder for Families

To help ensure a safe and smooth start to the school day, we'd like to remind families about morning drop-off procedures for students who use the bootroom entrance at the southwest end of the school (Mme Danielle, Ms. Kelly's (Kindergarten only), Mme Polege and Mme Johnson's classrooms).

Students may drop their backpack off at their class lineup spot outside the bootroom when they arrive. After doing so, they should head directly to the playground area at the back of the school, where morning supervision is provided.

Families are welcome to stay with their child to see them off for the day. However, we ask that all students remain on the playground at the back of the building before the bell. This helps ensure that students arriving by bus and those being dropped off by families can enter the school safely and efficiently. Keeping students away from the classroom entrances, bootroom areas, and parking/drop-off zones reduces congestion and allows us to prioritize student safety during this busy part of the day.

Thank you for your support in helping us create a safe, welcoming, and organized start to each school day! 🙏💙
