We are pleased to welcome **Mrs. Kerrie Reschke** to our school community. Kerrie brings an exceptional breadth of experience across K–12 education, including roles as a classroom teacher, Physical Education specialist, Learning Support teacher, and most recently a Grade 1 Explore Program educator. Her résumé reflects a career grounded in collaboration, inclusive education, and student-centered practice.

Kerrie also brings formal leadership preparation, including a Master of Education in Educational Administration & Leadership and completion of the Alberta Leadership Quality Standard
