Freedom of Information and Protection of Privacy – Disclosure Sec. 32

The personal information requested on this authorization form is being collected to determine the specific medication and personal care for your child that is being requested of the school. The information will be made available on a need to know basis to people who are working with your child and providing the required care. The information is collected pursuant to the *School Act* and Regulations thereto. It will not be disclosed to any other person or organization except as authorized by the *Freedom of Information and Protection of Privacy Act.* If you have questions about the collection and use please contact the principal of the school your child attends.

Note: This section must be completed if medication is to be administered to the student at school.

I hereby request and give my permission for the below-named school to administer medication prescribed on the reverse of this form to my child. I make this request in the knowledge that school personnel have no special training or limited training in the administration of the medication. Parents/guardians must inform the principal of any changes in the administration of the medication. A new request/authorization form must be completed and given to the principal.

In addition, I accept responsibility to ensure the safe transportation of these medications to the school. I hereby acknowledge that at my request the principal or her/his designate has been authorized to administer the prescribed medication.

Namely: _____

To my son/daughter/ward: _____

Date of Birth: _____ Class: _____

School: _____

And I hereby release the principal and/or his designate and Foothills School Division No.38 from any claim for harmful effects resulting from the administration of the prescribed medication and I hereby agree to indemnify and save harmless the principal and/or designates and Foothills School Division No. 38 from all claims that may result therefrom. I have received a copy of the Board's policy on the administration of medication, and agree to follow the policy.
