REQUEST TO CHALLENGE COURSE PLACEMENT

Teacher recommendations are provided on a student's final semester report card to assist in accurate course placement for the next level. These recommendations carefully take into consideration a variety of factors; such as academic achievement, ability, commitment to learning, as well as the increased level of difficulty and complexity in the next course level. Students who wish to go against recommendations may be putting their academic success at risk. Program recommendations are outlined in the course handbook.

***** STUDENTS MUST COMPLETE THIS FORM IN THE FOLLOWING ORDER *****

1. **STUDENT:** What is the reason for your request? What mark do you expect or need?

2. Teacher's comments and signature:

4. Outline your plan of how you're going to bring up your grades between now and June, improve your work ethic and demonstrate your improved focus on academics. We will gladly reconsider your academic placement in late June or last week in August if you have successfully demonstrated improvement, have completed a summer school course, or have provided other evidence of success.

5. PARENT/GUARDIAN: We have been advised that our son/daughter should enroll in the recommended course and are aware of the risks of not doing so. It is our decision to:

- Enroll in the teacher recommended course
 Go against teacher recommendation and enroll in the course requested by the student
