Grade 9 Lunch Agreement 2022-23

Beginning September 12 we are allowing our **grade 9 students** the opportunity to leave campus at lunch time **with signed parental permission**. We feel this is a great way to begin the process of preparing students for the transition to High School. Students must continue to meet school expectations and community safety guidelines while off school property. Their behaviour must positively represent themselves and our school community.

Leaving campus is a privilege that will be revoked for any reason an administrator deems appropriate. Homeroom teachers will issue lunch pass letters to students on the first day of school. Students with lunch passes are expected to:

- Complete classwork on time
- Follow our student code of conduct
- Attend regularly and be on time for school
- Return to school on time
- Follow business and town safety guidelines at all times
- Dispose of outside food and drinks into the garbage cans prior to re-entering the school
- Return to the school yard behind the school if arriving back on campus early

Since our school is unable to provide supervision during their off-campus time, it is important to understand you are assuming responsibility for their behaviour and actions while they are off property. If you feel that your child is ready for the opportunity to leave the grounds for lunch, and you are comfortable with your child off campus at lunchtime, please complete and sign this form and ensure it is returned to the office.

PERMISSION FOR STUDENT TO LEAVE CAMPUS AT LUNCH TIME **12:30 – 1:20 PM**

I give permission for my child to leave campus during lunch and activity time. I understand and accept that they are my responsibility during this time and agree that my child is not the school's responsibility once they have left the school. I also understand that, should my child fail to meet the expectations set down by the school, the administration reserves the right to revoke this privilege.
