

# INCLUSIVE LEARNING, WELLNESS & WELL-BEING

JANUARY 2026

## WELCOME TO OUR FLOURISHING LEARNING COMMUNITY!

At FSD, we think about the whole system to make sure our mission, vision, and purpose are visible in every decision we make. This systems-thinking approach is key to achieving the goals set out within our divisional and school education plans. By frequently reflecting on our progress, we are demonstrating accountability and providing our partners in education the assurance that education is at the centre of a flourishing community.

## SUCCESS

- Professional Learning for all school staff
- Strong team to support students, families and staff
- Multiple disciplines working together to support student success

## SUPPORT

- Continually adding to and advancing the continuum of supports at the Divisional level
- Continually refining processes and procedures to provide opportunities for support
- Educational Assistant Professional Learning series

## ENGAGEMENT

- Students' Matters
- Ongoing engagement and support with Community Partners
- Ongoing engagement and support with the parent community

## SUPPORTING THE WHOLE STUDENT

A multidisciplinary approach transforms isolated interventions into a coordinated continuum of support, ensuring academic success, well-being, and belonging are shared responsibilities throughout schools and the division.

## PROFESSIONAL LEARNING MATTERS

The impact of professional learning is multiplied when every staff member, regardless of role, has access to the knowledge and tools that shape safe, inclusive, and supportive learning environments.
