

Millarville Community School

June 2026

Transportation registrations are annual. All bus riders must be registered with an approved application and any applicable fees for service must be paid before the student is assigned to the bus.

Applications for current students will be considered until June 19, 2026. Late applications may be processed in the new school year, resulting in potential delay in service.

Dear Millarville Families,

As another school year is coming to a close, I want to take a moment to express my sincere gratitude to our MCS community.

This year has been filled with learning, growth, accomplishments, and countless moments that remind us what a special place MCS truly is. Our students continue to impress us with their curiosity, resilience, and kindness. Our staff consistently go above and beyond to support and inspire learners, bringing passion, creativity, and unwavering dedication to our school each and every day.

It has been a privilege to work alongside dedicated staff, wonderful students, and families who care deeply about our school. Thank you for helping make MCS a place where students can learn, grow, and thrive.

Wishing everyone a safe, restful, and joyful summer.

Emily Baranyay

As we wrap up another wonderful year in the Learning Commons, we're asking for all library books to make their way back to school so we can inventory, tidy shelves, and get everything ready for another great year of reading!

We know books sometimes end up under beds, tucked into backpacks, or enjoying one last adventure around the house - no worries!

If you're unsure whether your child has library books still checked out, please feel free to email me and I'd be happy to let you know what may still be outstanding, my email is wilkiek@fsd38.ab.ca.

Thank you for helping us bring our library collection home so it can be ready for readers again in the fall.

Happy reading!

-Kym Wilkie, Learning Commons Coordinator

2026-27 Class Configuration

As we begin planning for the upcoming school year, we would like to share our current class configuration. Class configurations are developed based on projected enrollment, staffing allocations, budget considerations, and the goal of creating balanced learning environments that best support student success.

School staffing allocations are determined by the division and are based on student enrollment. Each school receives a staffing allotment that must be carefully organized to meet the needs of students while working within the resources provided.

Our current assignments for 2026-2027 are:

- Kindergarten – Ms. Clarkson
- Grade 1 – Ms. Carsen
- Grade 2/3 – Ms. Olver
- Grade 3/4 – Ms. Lipiski
- Grade 5 – Mrs. McNaught
- Grade 6 – Mr. Beacom
- Grade 7/8 – Ms. Granger
- PE/Athletics – Mr. Olmsted

We look forward to sharing additional updates as we continue to finalize our Educational Assistant staffing and support structures for the coming year.

Thank you for your continued support as we plan for another successful year at MCS.

As many of you may have heard, this year brings a bittersweet milestone for Millarville Community School. After 20 years of dedicated teaching, Michelle Elliott will be retiring.

Ms. Elliott has been a valued member of our school community, inspiring countless students and making a lasting impact through her commitment, compassion, and passion for education. Her presence will be deeply missed by both colleagues and students alike.

Here are a few words from Ms. Elliott as she reflects on her time at Millarville Community School:

“From the very first time I walked through the doors of Millarville School as a guest teacher in 2006, I knew this was where I wanted to spend my career. I have been incredibly fortunate to call this school my home and to dedicate my entire teaching journey here.

Throughout the years, I’ve had the joy of combining my two passions—teaching children and sharing my love of the outdoors. I will always cherish the relationships I’ve built with fellow teachers and the many families who have become lasting friends.

I am deeply grateful for the opportunity to be part of the International Baccalaureate community, to contribute to cherished traditions like the Christmas concerts, and to be involved with various athletic teams and the Outdoor Pursuits program. One of the highlights of my career has been leading over 70 trips alongside Mr. Beacom—experiences I will never forget.

As I look ahead, I am excited to spend more time outdoors with my family, embracing new adventures together.

Thank you, Millarville Community School, for the memories, friendships, and opportunities. It has truly been an honor. “
