## June 2018

Dear Parents,

Believe it or not, the end of another school year is clearly on the horizon. A glance at the attached calendar will confirm, June is easily among the busiest months of any school's year. In the space of the next 4 weeks courses wrap up, achievements are celebrated, field trips enjoyed/survived, and final learner profiles are written and sent home. Even with all of this going on we have so much to reflect upon, be thankful for, and to celebrate.

As we cruise towards summer, we hope everyone takes time to reflect on all of the outstanding learning that has occurred throughout the year. Our staff, students and families have worked tremendously hard in order to make this a successful school year. Throughout the year we have seen such growth in our students not just academically, but socially and emotionally. Bonds and connections have been formed and memories have been made. We are so proud of the kindness, dedication and enthusiasm of our students and all of those in our school community. Spitzee School truly is a great place to learn and grow.

There are a couple of important dates as we move into the month of June. First off Friday June 1<sup>st</sup> is a school based professional development day for staff, which means there is no school for students. June 8<sup>th</sup> at 1:30pm is our welcome to Kindergarten for our new kindergarten students. June 15<sup>th</sup> is our school wide Sports Day, please note that each student will be provided 1 hot dog for lunch. Any additional hot dogs need to be ordered through the hot lunch web site. Finally, our last day of school is on June 28<sup>th</sup>, we will have a final assembly that morning and students will be dismissed 12:10pm.

We would like to take this opportunity to send a special thank you to all of those who have volunteered their time and energy throughout the year. We cannot thank you enough for being partners with us in the learning of our students. You truly make our school a better place. We also appreciate parent council for another outstanding year, the school has greatly benefited from their time, decision making and feedback. Thank you for all you've done for our school community.

There is no doubt that the summer months will come and go just as quickly as this school year has passed, and we will be greeting many of you in September before we know it. We sincerely wish you all a wonderful summer filled with family, friends, and new adventures.

Yours in Education,

Brooke MacNeill and Chase Ellis
