VOLUNTEERS NEEDED!!

The grade 7/8 class has a very exciting opportunity to be part of Skills Exploration Day on Tuesday, December 6. The purpose of Skills Exploration Days is to:

Inspire Junior High students to identify inherent skills and interests.

Connect students' skills and interests to trade and technology careers through interactive, hands-on experiences that promote creativity, empathy, and exploration.

Promote trade and technology careers as a valuable and rewarding career choice.

To be able to run the program we require between 10-14 volunteers. Volunteers will be helping students be safe and supervising work stations. Please contact Mrs Patterson (pattersonj@fsd38.ab.ca) if you are able to help out on this day. This opportunity is open to all volunteers, not limited to grade 7/8 parents.

We are looking for full day volunteers, and you will be provided with lunch!

Thank you!

CAYLEYSCHOOL

OUR WEEK

Hello Cayley Families,

It has been a busy few weeks, with lots of wonderful learning opportunities for our students. We have wrapped up our triple ball season and would like to thank our volunteer coaches for their time and effort in making it a great season for our grade 5- 8 players. Thank you to Sydney Fagervik and Charidy Ross, for the time you have put into developing our players. Looking forward to starting up the Basketball Season, with our parent volunteer coaches (Janessa Waddell, Katrina Couey and Charidy Ross) and teacher reps (Karen Blake and Chris Fagervik) And special thank you to Cayley Cobra Athletic Director, Cindy Frisk. We appreciate all that you do. Thank you!

You will notice that this year, we have been reaching out more to engage parents through volunteering. Volunteering provides many benefits to you as a parent such as participating in your child's learning and co-curricular and extra curriculars, as well as being able to make connections with the Cayley school staff and learning about the school and the programming we offer. Not to mention- it feels good! As a small school, we rely on parental engagement and support to ensure we can offer unique and relevant programming for our students. There are many ways for families to participate in their child's learning journey. Here are a few ways to get involved:

- Volunteering at the school for special events
- Volunteer Coaching
- Hot Lunch Helpers
- School Council Meetings
- School Fundraising Meetings
- Consider supporting fundraising initiatives
- Attending Learner Conferences with your child
- Meeting with teachers to discuss your child's progress
- Reaching out to your child's teacher to learn more about programs or opportunities being offered
- Asking questions when something is unclear, or you would like more information
- Advocating for the school and supporting school initiatives
- Follow Cayley School on our instagram account to see our learning journey evolve this year

These are just a few of the ways that parents can have a voice and participate in our school. As we move throughout the year, please consider opportunities for you to engage in school activities or events. We would love to have you join us in our learning journey!

Have a wonderful weekend,
Jolene Becker
