Dear Millarville Families,

What a wonderful start to the school year. September has flown by, and we're looking forward to all that October will bring. Thank you for your efforts in helping your child arrive organized, prepared, and ready to learn. Your support makes a difference.

We're especially excited for **Pumpkin Palooza**, our first school-wide celebration! We look forward to coming together for some fall fun and celebrating our Wildcat spirit.

Hello Millarville Families,

I hope you're having a great day. My name is Master Silla Yu, and I currently teach Hapkido, a traditional Korean martial art, in Priddis and High River. I'm excited to announce that I will now be **offering Hapkido classes at Millarville School starting in October.**

Classes will be held every Friday in the gym.

For younger children, the classes focus on developing focus and discipline. For youth students, the classes provide a positive way to use their energy while building confidence. For older students and adults, the classes focus on developing martial arts skills, techniques, and self-defense.

Classes will begin October 9, 16, 23, 30th. Please join for a free class on October 2nd if you would like to try the program.

For more information and to register, please click [HERE](#).

Thank you very much for your interest in our Hapkido classes. If you have any questions, please feel free to contact me anytime at **yus84635@gmail.com.**

I look forward to seeing you in class!

Thank you,
Master Silla Yu
