September Newsletter 2025

September 2nd, 2025

To our ÉSFCHS | AHSFA students and families,

It was wonderful to greet both new and returning students as they got settled into their new school routines today! As an administrative team, we are thrilled with the positive vibe in the school and the maturity of the students, especially as they re-set passwords and navigated their new timetables. On that note, we would like to thank you for your patience with the system technology updates. We know they were inconvenient, but were essential in ensuring the safety and security of our systems.

Student Handbook

Please take some time to review EFCHS.AHSFA`s student reference guide (handbook) which can be accessed using this link:

<https://www.foothillsschooldivision.ca/foothillscomposite/page/24522/student-reference-guide-handbook>

During our grade level assemblies, we highlighted the following key updates to our handbook.

- Any source that is not authentically the student's own work is deemed plagiarism and will be given a zero. This includes the use of Artificial Intelligence (AI).
- Students who have a spare may work in the learning commons but may not sit in the cafeteria on their phones.

Student Parking

Parking Passes are issued to grade 12 students. Parking pass information is in the student handbook. Students wishing to register for a parking pass need to fill in the google form here:
