Grade 1 Spring Art

After getting our grade 9 students' thoughts and wishes regarding their Grade 9 Grad, we are working with Exec Team to determine how we can celebrate in a way that keeps everyone safe. We will be reaching out to Grade 9 parents soon!

We are having a bottle drive fundraiser to raise money for both the Grade 9 Graduation Ceremony, as well as our Legacy Project (painting the Sea Can by the basketball courts!) Please help us by collecting your bottles! On Friday, April 23rd, please bring in any bottles you have collected, and drop them off at the Southwest corner of the parking lot.
