The parking lot is a very busy place at the beginning and especially at the end of the day. We really appreciate you slowing down and making predictable driving choices. Please follow the "one way" sign and avoid pulling into the middle lot, which is reserved for school staff; by parking around the exterior of the "loop" and by using the far south lot, we have FAR fewer students crossing in front of cars. We appreciate your help in this area.

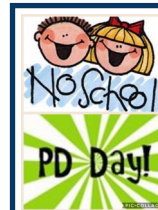

This year, the Alberta government is not sending out the Accountability Pillar Questionnaire to parents. Normally this survey provides us with significant information about your school experience, and we use that to inform our school's Education Plan. In order to continue receiving the parent perspective, we will be sending out our own Google survey to all parents next week. We hope you give us your feedback by completing it so that we can use it to continuously improve our school. Thank you.
