### Learning Environments that Respect Diverse Sexual Orientations, Gender Identities and Gender Expressions

Foothills School Division believes in creating inclusive learning environments that are welcoming, caring, respectful and safe which respect diversity and foster a sense of belonging for all students, staff and families. This means that each and every person, regardless of race, religious beliefs, colour, gender, gender identity, gender expression, physical disability, mental disability, age, ancestry, place of origin, marital status, source of income, family status or sexual orientation of that person or class of persons, has the relevant learning opportunities and appropriate supports needed to feel valued and to be successful in school.
