*RDL School Council is getting back into fundraising this fall to raise money for various expenses we will incur this year. This school year is unusual and although we don't have many of the traditional expenses we normally do, there are some expenses related to our healthy and caring community that our school council feels are important to take on.*

*The school is hoping to install a laundry system to aid in the laundering of all the cleaning cloths that are now being used to wipe down desks and other surfaces. Currently many of the teachers are taking these cloths home themselves to launder them.*

*Also, staff and teachers are actively looking into finding other covid-safe activities they can implement at the school to engage students both during class time and recess time. The more activities we have for students to use, that maintain social distancing, the easier it is for everyone to conform to the guidelines.*

*In addition to those costs, the stage curtains are beyond repair and need to be replaced. The cost for replacement curtains is quite substantial and it may take some time to raise the full amount.*

Dear Parents,

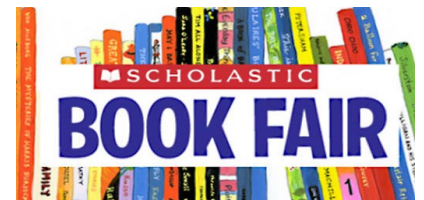

RDL is fortunate to have the Scholastic Book Fair coming to our school. As with all activities being held during COVID 19 pandemic, there are a few guidelines to be followed for students. (Please see attached letter on email for more details)
