Advance First Nations, Métis, and Inuit student success

Assurance Measure: FSD provides trust and confidence that students demonstrate citizenship, engage intellectually, and grow continuously as learners.

Governance

Goal:
Advance Continuous Improvement and Assurance

Assurance Measure: FSD provides trust and confidence that policy leaders demonstrate stewardship of system resources with an emphasis on student success, generative community engagement, transparency, and accountability.

Teaching and Leading

Goal:
Advance Excellence in teaching, learning and leading.

Assurance Measure: FSD provides trust and confidence that certified teachers and certified leaders demonstrate their respective professional practice standards (Teaching Quality Standard, Leadership Quality Standard, and Superintendent Leadership Quality Standard).

OUR SCHOOL

Westmount School is a K-9 school with approximately 500 students and 47 staff. This is comprised of certificated teachers including Learning Coaches, educational assistants, office staff, a Learning Commons Facilitator, and a Family School Liaison Counselor. We offer a wide range of learning opportunities in the classroom, community, as well as outdoors. Outside of the core areas of study, we also offer Career and Technology Foundations (CTF) which provide students the opportunity to explore their interests within various discipline areas and technologies. Students are also invited to attend a variety of clubs and extracurricular activities for a well-rounded schooling experience focusing on intellectual engagement, health and well-being, and social emotional development.

Parents and other community members play an integral part of our school. They are volunteers, experts, small group facilitators, hot lunch organizers, fundraisers, and more. The link between home and school fosters a supportive learning community with our students at the centre.

Strategy Continued From 2028-2029

GOALS

Advance stakeholder engagement and communications by:

- **Ongoing Opportunities:** Facilitate ongoing engagement opportunities with education partners in respectful, meaningful ways.
 - Continue with Speaker Series with School Council based on surveying parents to seek input in terms of areas of interest
 - Build opportunities for parents and community members to contribute to classroom learning in a variety of ways
- **Collaborative Communication:** Provide a continuous feedback loop to inform, consult, and empower partners in education to guide decision.
 - Collaborate with FSD Communications Manager to understand the needs of parent communication and help to develop an effective communication plan moving forward including gathering specific feedback around how parents best want to be engaged

Advance evidence-based continuous improvement and assurance by:

- **Evidence-informed decision-making:** Ensure a continuous improvement cycle in which participants are persistently attentive to gathering ongoing, triangulated evidence to inform next steps.
 - Professional Learning Teams use iterative cycles to examine samples of student learning in relation to program of students and success criteria
- **Engagement:** Develop effective engagement processes that rely on education partners working together for the purposes of bringing about positive change, with all partners recognizing that the nature of the engagement will vary according to the needs of the participants.
 - Ongoing stakeholder engagement from across all levels including monthly meetings formal and informal, various communication platforms, surveys, and focus groups
- **Learning and Capacity Building:** Develop a dynamic assurance process that provides opportunities for building capacity for change and ongoing improvement (e.g. looking at data as a school, school council and in PLTs to analyze and use to inform next steps)
 - Collaboratively analyzing data from various assessments (school-based, divisional and provincial) to inform next steps in teaching and learning

GOALS

Advance wellness and well-being by:

- Continue to promote healthy school cultures through student well-being using the lens of Belonging, Independence, Mastery and Generosity
 - Expanding the use of Restorative Questions throughout the school by all staff with questions posted in each room and throughout the school
 - Establish Family Groupings with a focus around building a connection between our Core Values and the qualities of a wolf. Also using monthly Theme Words as anchors for engaging students in this process.
 - Identify students who don't have a strong connection to a trusted adult to tag someone to them and build connections through regular check-ins.
 - Mental Health Literacy using the Elementary Mental Health Literacy Resource
 - Maintain Wellness Class as separate from PE with a focus on mental health and wellness and continuing to use the HERO's program.
 - Access community supports to further enhance wellness programming within the school

Advance a continuum of supports by:

- Continue to implement, refine, and expand the continuum of supports based on current student profiles to address social, emotional, physical, and academic growth for students.
 - Review and update our Continuum of Support (Based on Positive Behavior Support Framework)
 - Ensure staff know how to access and find entry points within the Continuum of Supports
 - Create a vision around the new Hub (Support Room) Model and how that will fit within our Continuum of Supports
 - Use Restorative Language universally and make it visual across the school
 - Refine Student Support meetings – review purpose and process that includes a firm action plan
 - Revisit CRT structure to refine purpose and process

GOALS

Advance innovation and design by:

- Advance Career Education to provide students with real world experiences that prepare them for their future.
 - Continue to enhance and support Maker Space/CTF opportunities for K-6 (e.g. build programming around new CRICUT, Robotics, Ozobots, Microbits 3D Printers etc...)
 - Survey students for areas of interest in designing Options to be responsive to areas of interest and connect with the High School programming
- Advance systemic staff capacity for continued implementation of the Framework for Innovation and Design within Foothills School Division to support Deep and Transferrable Learning through design thinking while exposing students to a greater breadth of possible career.
 - Develop teacher's capacity to design engaging tasks and challenges as part of the CTF programming
- Grow community, industry, and educational partnerships that provide student access to authentic, hands-on, experiential learning in fields of interest to support readiness for careers and future next steps
 - Provide opportunities for students to engage in authentic hands-on, experiential learning through partnerships within the community

Advance learning that transfers by:

- Teachers and leaders will continue to develop a deep understanding of pedagogy and curriculum and apply a current and comprehensive repertoire of effective planning and design for deep and transferable learning.
 - Engage teachers in iterative cycles of collaborative professionalism where evidence of student learning is at the forefront
 - Develop collective understanding of the different levels of engagement and the resulting implications on pedagogical practices and student agency.
- Utilize high impact assessment, evaluation, and reporting strategies from the FSD System of Reporting to ensure deep and transferable learning
 - Focus on effective assessment practices including the use of Success Guides to help students deepen understanding of key concepts which will help with transfer to new contexts
